### Overall Expectations

*Feel free to copy the suggested expectations from the Liftoff Team Activity document if your group agrees to them. Be sure you have also covered the following:*

**Communication** (how will your group communicate?)

Meetings on Monday and Thursday (If a third meeting is necessary: Wednesday evenings!)

Out of Meeting Communication: Slack for day-to-day, GitHub for feature and project tracking

Tuesday: 11/21 - 12PM CST

Friday: 11/24 - 6:30 CST

**Giving Feedback** (how will feedback always be communicated and where will it be shared?)

Feedback will be communicated in person during project meetings (after updates/checking on where the project is at), documentation for feedback will be shared within the slack group

**Conflict Resolution** (when there is conflict within the group, what will need to happen for it to be resolved)

Schedule a meeting where we can talk about the pros and cons of both (or more) ideas and compare them to each other to come to a sane conclusion that the team can agree upon.

**Workload** (how will you ask for help, how will you divide up tasks?)
