Where Do We Go From Here

Overall Timeline

Additional Timeline Notes

- Professional Development Plan grades will go up by Monday, 1/29
 - If you did not give access, we will notify you once with a deadline to submit a completed plan for us to grade to meet the 2/21 deadline
 - If you need to make adjustments, you will receive those notes before 2/6 to make ahead of 2/21 or 3/6
- Resume
 - We recognized many of you are waiting on us
 - We hope to get through Round 2 by end of next week
 - We will continue to re-review until it passes
 - You will receive a Slack message when you are approved

Additional Timeline Notes

- Demos and Interviews
 - We are prioritizing folks who still need makeups
 - Our turnaround time right now is about a week
 - After your 3rd Demo/Interview, we will continue scheduling makeups with you until you get to the level
 - If you do not make improvements after the 3rd demo/interview, we will not continue to schedule with you
 - We are here to help you succeed and expect you to practice in between sessions to continue to improve

Next Steps for Graduation

- If you need makeups of interviews or demos:
 - Keep an eye on Slack for more information on how to schedule those sessions
 - Check your resume for edits
- Please wait 5 days post interview, demo, or resume edits before reaching out for feedback
- Fork your Project Repo!
- Exchange contact info in prep for Slack deactivating
- Fill out the Graduation Survey and Eventbrite

Next Steps for Candidate Pool

- Typically takes at minimum 6 weeks for a whole class to be entered into the Candidate Pool
- Melinda and Lexi are working post class to get Candidate Profiles completed for this cohort
 - There are 2 of us
 - There are 124 folk who want to join the Candidate Pool
 - We create individual profiles for each candidate
 - This takes time, please be patient
- We prioritize folk who have all of the necessary information completed
 - Resumes, Project Demos, Interviews Completed
 - Professional Development Plan Approved
 - Ready for Placement Survey Completed

Next Steps for Candidate Pool

- Start working on the items you identified in your Professional Development plan
- Add on to your project or build something new
- Talent Management may start reaching out to do intro meetings with folk as their profiles are completed, make sure that you are checking your email so you don't miss communication from them
- Be on the lookout for an invitation to Pluralsight to continue building your skills!
- Start your search!
