Overall Expectations

- Ask for help when needed before falling behind on deadlines
- Be willing to help each other instead of displaying an "it's not my job" attitude
- Be flexible to assist with group needs
- Consistently communicate about where you are at with the project via Team Slack Channel
- Attend all group meetings, communicating if you need to miss a class ahead of time - let's fix the schedule based on the needs.
- Meeting around 6-6.30
- Treat it like a job, not like a typical group project
    - You will be working on a project that may mimic how you will work on a dev team
    - If you consistently do not show up to work or are not doing the tasks that you committed to completing, you may be removed from the course.

Feel free to copy the suggested expectations from the Liftoff Team Activity document if your group agrees to them. Be sure you have also covered the following:
